1. I am an #eventprof from @xxxx who has just used the #circulareconomy toolkit created by .@PIevents in collaboration with .@GES_EMEA. I know what #sustainable materials I can use at my #event instead to reduce #waste. Click the link if you want to discover this too. bit.ly/CircEcono
2. I am an #eventprof from @xxxx who used the #circulareconomy toolkit created by .@PIevents and .@GES_EMEA to discover that (what you discovered from using this audit, i.e. what materials were used). Click here for the toolkit and RT and share! bit.ly/CircEcono
3. I used this #circulareconomy toolkit created by .@PIevents in collaboration with .@GES_EMEA and discovered that I can switch items made from (unsustainable material you audited) to (sustainable material that suppliers/procurement department informed you of) at my #event. This helps achieve the #UNSDGs! Follow this link if you want to discover this too. bit.ly/CircEcono
